Dearest Council

I am very angry of the
angmering proposal, this is the gap
that should not be built on, all
your doing is making more congestion
I have had enough.

Angmering advisory group self
serving interest, how much are they
trousering from red row?

All these developers look after
their own, that's a fact you don't
care what people think, it's been
given the green light already, I
did not move here for you to
build on all the green spaces.

Red row's objective is to make
money and stuff everyone else
that's their pioneering approach.

Pto

A sleazy backroom deal for
planning permission on a nod and
a wink. Its as welcome as the

Developers are raping the
Countryside for profit, furthermore
in my correspondence they have
led me to believe, its all decided
Disgrace!!!!

Look what happened to chichester
just a big housing estate, killing
wildlife off and the planet
well done!!! you must be
so proud of yourselves. Are Adur
& Worthing Council in red Paws
pocket?
