Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/168/21/PL
Site Address: Land South Of Littlehampton Road and East of Worthing Road Angmering BN12 6PN
Description of works: Erection of 76 No. dwellings, means of access, public open space, play areas, associated infrastructure & landscaping. This application is a Departure from the Development plan, is in CIL Zone 5 and is CIL Liable as new dwellings & affects a Public Right of Way.

Thank you for your internet representation made on 6th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41686

I object to this development on the grounds that our local infrastructure cannot possibly support this addition as we do not have the schools, dentists, chemists or medical facilities to accommodate this. The population density and over-development of this area is now rampant. It will impact our green areas, hurt the environment and local wildlife, increase pollution, further tear up our roads, clog up community spaces, the traffic alone will put us in danger of increased accidents. Continued over development of the area is literally putting lives at risk. We're already seeing an increase in fatal accidents and massive amounts of traffic constantly idling polluting our air. Enough is enough.

Your views as made above will be considered before the application is determined.
