CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

I wish to object in the strongest possible terms to the above Planning Application.

Firstly, the impact on the existing junctions to the A259 roundabout will cause additional traffic chaos to that that already exists.

Secondly, the continuous loss of "green spaces" coupled with the additional impact of 76 properties on schools, health and utility services is always overlooked.

This development should not be approved.

Stuart McFadyen
