Dear Sirs,

I strongly object to this application as i did to the original plans.Nothing has been changed to make me change my mind.

The thought of cars trying to access the roundabout with the A259 and Old Worthing road and the Angmering bypass will cause gridlock  
its already anightmare trying to get out of Old Worthing road..

Local amenites cannot cope with more housing in this area (schools health care etc.

I live at 11 Loxwood adjecent to the proposed site and have endured nearly 2 years of road works and the thought building works is to unbearable to think of [REDACTED] and enough is enough. Over 10 ago it was the bypass being built next to my property now all this.. This proposal MUST be rejected.

Yours Sincerely

A.G.SUTHERLAND
