Dear Sirs,

Please note my objection to this housing development.

I strongly object on the following points.

1 The total over development of land all around East Preston and Angmering.

2 Road safety as the A259 is already ultra busy with the new dual carriageway being constructed on the west side of the roundabout allowing even more cars to join the road before the roundabout would be disastrous. As the plans are for 76 houses that would be 152 extra cars maybe trying to join the road network.

3 Local essential facilities are already stretched, Schools, Doctors surgeries Dentists.

When will West Sussex stop wanting to turn our fields and open spaces into even more housing estates. The only people who gain are the Developers, what would Redrow give back the community?.

Please say no!

Fiona.Woodyatt.
