Dear Kathryn,

It's frustrating the Council refused this condition without giving us an opportunity to respond to the comments that were raised, but nevertheless we will be making a revised submission asap which deals with all the comments that have been raised by the Council's external drainage consultant.

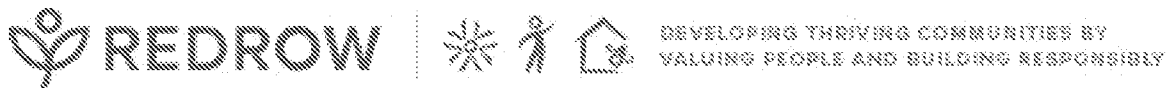

Once the revised application has been validated, we would very much like to arrange a meeting with yourself and the Council's drainage officer so we can all sit round the table and resolve this matter in an efficient and timely way. If you are agreeable to this?

Many thanks and I hope you have a good weekend.

Tom
