Mr D Easton

8th November 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with all matters reserved for demolition of existing buildings on site & erection of a mixed use development comprising up to 90 No. residential units, a care home (Use Class C2 & C3) & ancillary facilities including railway crossing, together with associated access, car parking & landscaping (resubmission following A/44/17/OUT). This application is a Departure from the Development Plan & lies within the parishes of Littlehampton & Rustington.

Land west of Brook Lane & South of A259 Angmering

Thank you for your internet representation made on 7th November 2017 which has been recorded as '**an objection**' with the comments as follows:

This is a re-submission which was refused- can the application keep being re-submitted until they get a yes?

The application is a departure from the Development Plan, it is not a site identified by Arun for strategic housing development and furthermore does not constitute a 'sustainable community'. Noise, traffic and pollution will increase. The dementia care home will be situated between a dual carriageway and a railway line- totally inappropriate! Local schools have already had to be extended and as these houses will be 1.9 km away from the nearest school- inappropriate parking and congestion will be increased. This development is not in the best interests of the local community it is driven by the need of the developer to profit from this part of their land bank.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
