David,

Thanks for your update on Friday and your email below. If you could let me know when your instructions have been given to Delwyn I would be grateful so that I can update our legal team.

I wondered whether we could agree an extension of time in the first instance until 22nd December. It is possible for the legal agreement to be completed in this time, and accordingly it would be useful to agree this target date to try to expedite the signing.

Kind regards,

Serena

Dear Ms Page,

As you are aware the application was approved at committee on the 15th November subject to the completion of the S106 agreement. I will be speaking with Delwyn this week to arrange for the completion of the S106 agreement following the comments of Greenspace last week in relation to the MUGA contribution.

The officers report required the S106 agreement to be completed within 2 months of the committee date and as such I would be grateful if you would provide written confirmation of your agreement to an extension of time until the **10th January 2017**. The decision on this application will be issued as soon as the S106 agreement has been fully completed.

Please do not hesitate to contact me should you wish to discuss this matter further.

Yours Sincerely,
David Easton
