Dear Sirs,

I strongly object to 76 dwellings and service roads on Roundstone Farm off the A259 by Redrow Homes Ltd. This is valuable farmland for important crops, which we need, also being open land for wildlife which we are also losing at an alarming rate.

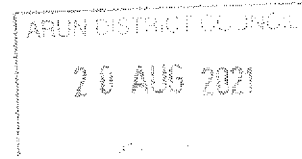

Plus this dual carriageway is already gridlocked at times even outside rush hours.

Yours faithfully

Dear Sirs,

I object to the even more illuminated advertising signs at Yeomans Car Business on the A259 Littlehampton Road. Surely they have too many already, which can be a distraction when driving along this very busy road.

Yours faithfully
