Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/169/21/PL
Site Address: Land South Of Littlehampton Road and East of Worthing Road Angmering BN12 6PN
Description of works: Construction of a new access to serve existing agricultural use and proposed residential development. This site is in CIL Zone 5 and is Zero rated as other development. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 26th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39946

The proposed new access is a departure from the Development Plan so should be refused.

The application is by Redrow Homes. It has nothing to do with serving the existing agricultural use, it is purely to provide access to the proposed housing development (planning application (A/168/21/PL). Redrow Homes want to provide access from the roundabout so that anyone approaching from the west has access to the proposed housing development without having to go to the Asda junction or the A259/A2032/Titnore Lane roundabout and doubling back. This application is purely about the proposed Redrow Homes development.

Providing an access off the roundabout which is so close to the access to the roundabout from the A259 would be dangerous. It will also result in more congestion on a very busy roundabout.

Your views as made above will be considered before the application is determined.
