Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/169/21/PL
Site Address: Land South Of Littlehampton Road and East of Worthing Road Angmering BN12 6PN
Description of works: Construction of a new access to serve existing agricultural use and proposed residential development. This site is in CIL Zone 5 and is Zero rated as other development. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 1st September 2021 which has been recorded as an objection with the comments as follows:

OWPC40062

Application A164/21/AG was submitted by Redrow Homes for an upgrade to the agricultural track to Roundstone Farm. This was given prior approval on 1st September.

The Officers Recommendation report is not dated but was posted on the website on 1st September; in the conclusion it says:

The applicant states that "There is no anticipation that the enhanced track will be used for any purpose other than an east-west connection between 2 points of the farm".

This is clearly not true as application A169/21/PL from Redrow Homes proposes using the access for the proposed residential development. This application was dated 30th July so surely the officer writing the recommendation report was aware of this.

It is obvious that the upgrade of the agricultural access road is purely in preparation for the proposed housing development but Redrow Homes should be held to their statement that the track is for farm use only.

Your views as made above will be considered before the application is determined.
