Dear Mrs Grieves

I am writing to you following your correspondence relating to the above application.

I can confirm that the submitted site plan attached shows clearly the position of the works to be demolished as a dashed line, annotated on the plan.

The affordable housing statement forms part of the Planning Statement as set out in our supporting letter.

Dwg no. 5 A has been amended and is attached for your records

The cheque was drawn before an omission of a unit and therefore could you please reimburse the applicant for the £385.

I hope this clarifies the situation and the application can be validated in the near future.
