Dear Sir,

ARUN DISTRICT COUNCIL

18 FEB 2013

RECEIVED

Re: [REDACTED] A/16/13/CA.

Proposed demolition of existing Chandlers BMW dealership
and erection of 22 dwellings with car parking, access roads and
landscaping and Conservation area consent.

We object to this proposal as it is within the Conservation
area and will lead to increased traffic movements.

We also consider that the plan to obtain Planning
permission for the new location on the A259 (A/130/12 and
A/131/12/A refers) in advance of these applications is not
ethical or sustainable and is contrary to the Public
Interest.

We sincerely hope that you will consider all your together
and please let us know the results of your decision.

Yours faithfully,

[REDACTED]
