Good morning Brian,

I do need a complete blue edge on the location plan.

May I suggest that you take the scale to 1:2500 on an A1 to see if you can get a complete blue edge?

Also, if you do the location plan at 1:2500 and the blue edge is not complete on an A1 you can save the pdf as an A0 to see if that helps.

You can also do the location plan at a scale of 1:5000 if necessary.

If you have any questions, please let me know.

Thanks,
Daun
