Dear Mrs D Johnson,

Please find attached the requested information required to validate the application.

- Please confirm how long the temporary car park will be used.

It is anticipated that the temporary permission will run for a three year period, although there is some uncertainty with this due to the limited information with regard to the programming of the A259 at this time.

- Please provide an elevation of the proposed access gates.

Please find the attached elevational drawing.

Please let me know if you require any further information.
We look forward to confirmation of validation.

Kind regards,
Antonia
