Subject: Letters of objection

Dear Mrs Gardner,

I delivered 3 letters of objection by hand which have been treated as a single posting of three letters 25 October.
Could this be re posted as 3 separate letters?

I am also concerned about the letters on the all records section From Mr J.R.B. Smith of Brise de Mer, Mrs. H.F. Tanham of Fallowdale North drive And Mr Richard B. Smith of North Drive (the applicant of A/176/17/PL) Mr. Richard Smith and his son and daughter make identical comments and are concerned about the building of houses on the golf course. They also list properties claimed as infill.

As a family unit it could be assumed that they have a financial interest in application A/176/17/PL Whilst they do not want the building of houses on the front nine they are however prepared to inflict the building of houses on the residents of Ham Manor Way for personal gain.

The infill listed are new properties built within existing boundaries of previous development.

They are certainly not previous plots sold by the golf club and now protected by your green space policy.

Your planning committee should be made aware of the profit motive in these letters.

Thank you for your time.

Yours sincerely

T. Linkhorn.
