I have arranged for a South Coast Company named Weston Hasting to meet you at about 9am on Tuesday 10th. Remember of the site in Bradford.

Please talk with Andy he can be contacted on 07791 0495 814

Andy has a suitable Artic trailer and Hiab crane which is able to load and transport 5 crates. Can you please inspect the condition of the loaded items as best you can and select the least worn 3.

Thanks

Mike and Alison
