Subject: Culvert Application - A/179/20/RES

Hi Michael,

As discussed on the phone, please find the flooding information to support the Culvert Application.

Please note that the previous modelling report undertaken by Edenvale Young is no longer pertinent to the application.

I have attached both the signed copy (signed by WSCC and Adur and Worthing) and labelled as Certified and the original blank document as it is of a higher resolution/quality and therefore the images and maps are easier to read.

Hope this is okay and please let me know if you have any queries.

We are currently updating the resi site layouts to reflect the submitted culvert scheme.

Many thanks,
Sean
