Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: A/179/20/RES
Site Address: Land South of Water Lane Angmering
Description of works: Approval of reserved matters (appearance, layout & scale of access only) following A/99/17/OUT for a culvert & associated access over the Black Ditch providing access to the approved development. This application may affect the setting of a listed building & falls within Strategic Site SD9, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 18th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31466

Please can someone advise as to why the access bridge into this site includes footpaths either side entering onto Water Lane. Is this to entice residents of the development to chance their luck walking up or down the lane where there is no footpath, more traffic than ever and a complete and utter disregard for the 20mph/30mph speed limit.

Your views as made above will be considered before the application is determined.
