App No: A/179/20/RES
Address: Land South of Water Lane Angmering
Proposal: Approval of reserved matters (appearance, layout & scale of access only) following A/99/17/OUT for a culvert & associated access over the Black Ditch providing access to the approved development. This application may affect the setting of a listed building & falls within Strategic Site SD9, CIL Zone 1 (Zero Rated).

We are satisfied that as long as the Landscape and Ecological Management and Maintenance Plan (Nov 2020) and Landscaping Proposals (April 2020) which have been submitted as part of the main RES application are followed for all areas of the site this is suitable and sufficient for these proposals.

Kind Regards

Liz
