Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/184/21/PL
Site Address: Land South of Water Lane Angmering
Description of works: Construction of a weir upstream of the culverted road access to the Land South of Water Lane Development, Angmering as Phase 1 of the Angmering Flood Alleviation Scheme. This application is in CIL Zone 1 & is not CIL Liable as other development.

Thank you for your internet representation made on 12th October 2021 which has been recorded as support with the comments as follows:

OWPC41157

I support the proposal. I note this is phase 1 of the Angmering Flood Alleviation Scheme and trust that further phases will come forward to deliver appropriate and necessary flood protection to Angmering. I look to the Local Planning Authority to ensure that planned residential development within the local catchment provides sufficient funding for these and further works using Section 106 of the Town and Country Planning Act 1990 and the Construction Infrastructure Levy (CIL) under the Planning Act 2008

Your views as made above will be considered before the application is determined.
