Hi Ray,

I am working on the Screening Opinion (A/203/21/ESO) for the Flood Alleviation Scheme and I have given the Environment Agency until 2nd November 2021 to submit a consultation response to A/184/21/PL as I understand you are having a meeting with them in the meantime.

Kind regards,

Michael

Michael,

I hope that this finds you well?

How is the above progressing?

I have not received a response to the EIA Screening Request so would welcome an update on when this is likely to be received and also when you forecast a decision is likely to be made on the above application?

Thanks.

Kind regards
