Subject: FW: A/184/21/PL – Phase 1 of the Angmering Flood Alleviation Scheme: Land South of Water Lane, Angmering

Please upload onto Ocella the email below from the **South Downs National Park Authority** confirming a single planning application (**A/184/21/PL**) submitted to Arun District Council is fine.

Thanks,

Michael

Hi Michael

Apologies for the delay – had planning committee last week which dominated my time.

I'm not aware of the SDNPA being a land owner in Arun and so I am presuming the Certificate B was correctly completed regarding landowners.

I think a cross boundary application may only be needed if there is development within the National Park....i.e new physical development or a change of use of the land. If not, then I suspect a single application to ADC is fine.

Hope this helps,

Richard
