Dear Anita,

I hope you are well.

I have read Mr Linkhorn's latest email and again I would like to point out that he has produced no evidence that the extant planning consent on the remainder of plot 7 has been extinguished.

The piece of land in question is 5.39m from the red line of the A/55/19/PL boundary to the Ashurst boundary, I am not sure what his measurement of 7m refers.

The owner of Ashurst asked us to clear some vegetation on his land, I think Mr Linkhorn has assumed that this was part of the application land, which it is not. We have cleared other weeds and brambles that form part of the application land under the current usage as being part of the golf course.

Kind regards,

Richard B. Smith
