Micheal,

We have approved the drainage design for the above site in May last year and I have attached the TA certificate.

We have no further comments on the application at this stage.

Regards

David Palmer IEng CEnv MCIWEM

Dear Raoul,

Please could I have ICOSA's consultation response on discharge of condition application **A/188/21/DOC** for Land at Dappers Lane, in Angmering.

Regards,

Michael

TECHNICAL APPROVAL CERTIFICATE REV -

Technical Approval is hereby granted for 20-022 Dappers Lane, Angmering in response to the application for a S104 Adoption under the Water Industry Act 1991.

Conditions to this technical approval are subject to the following:

- A pre-start site meeting should be held with Icosa Water and/or its appointed representative prior to construction or as soon as possible after approval is given if construction has already commenced.
- Any variations to layout or materials should be requested from Icosa Water and should only be constructed when confirmed in writing.
- Icosa Water reserve the right to withdraw or amend this technical approval should circumstances on site require it.
- This approval is conditional on a Requisition Agreement being signed for the offsite sewers and the drawings updated with final levels and details.
