Dear Liz,

I am not sure if received my email this morning, we seem to be having issues with our system today!

Having reviewed our consultation response, I realized that what I wrote was outdated guidance. Due to the recent implementation of The Business and Planning Bill, licences for outdoor seating areas are now granted by the District Councils, rather than the Highway Area Office. Therefore, I advise the District Council be consulted regarding acquiring a licence for outdoor seating.

Kind regards

Kyran

Dear Kyron

I have tried several times to call you on the phone today without success. I wonder if you would please give me a call to discuss this application, reference my email below. I would just like clarification as to what is required for me to do with Highways and need to discuss your comments on the consultation with Planning.

Many thanks

Liz

Dear Kyran

I am the agent for the above application with ADC and I wonder if you could give me a call regarding your consultation response. In your response you mention a separate Licence Agreement with WSCC, but when I called Highways prior to submitting the application to ADC I was informed I didn't need anything further. I would appreciate clarification on what agreement I need to obtain and how to do so. I also wanted to discuss other matters in your response so would appreciate if you could call me.

My numbers are below.

Many thanks
