7th December 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Erection of single storey detached double garage
Harcourt West Drive Angmering

Thank you for your internet representation made on 6th December 2017 which has been recorded as '**an objection**' with the comments as follows:

I am writing to oppose permission for the following reasons:

a) The corner of New Road and West Drive is already a dangerous one and proposals to make pedestrian access into a double main access will undoubtedly increase that danger. The area of New Road itself is pedestrian access to Lanes and Out of Bounds sports clubs and so there are many pedestrians, cyclists, children etc. using that area.

b) Aesthetics will be dramatically affected and altered in a negative way. The whole area, indeed the whole estate is one that is supposed to be maintained and seen as a natural one, with open spaces and gardens maintained and in keeping with the style of the surroundings. The covenants come to mind! At the moment the view from our house is of a (once well maintained) garden, not a car park.

c) The current garage has been converted to a living area and therefore the courtyard houses many and numerous cars already. There are two new properties being built in New Road-yet more cars. Can the infrastructure sustain this?

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
