Michael

Thankyou for the e mail and we have instructed site to put them in place albeit re the current covid restrictionstherd maybe a slight delay but I will confirm to you when all in place. Thinking about it I think the best way to control it is by having the boxes checked by the Management Company who will be managing various aspects of the development continually. I will approach the management company to discuss as to how this can be included in their inspections etc to make sure so they are kept in place etc

Hope that is helpful.

Regards

Stuart

Stuart,

Thanks for submitting the "Update of Planning Condition 15: West End Nursery, Roundstone Lane, Angmering, West Sussex. V2 Update: confirmation of provisions agreed with houseowners. 11th January 2021" for discharge of condition application A/191.20/DOC for Cresswell Park.

How could we ensure that the bird and bat boxes are maintained on the houses in perpetuity?

Regards,

Michael
