Please provide a following biodiversity survey for this site as it is in the Arun Valley Impact Zone. Please refer to the Local validation requirements and the guidance notes for the Biodiversity Checklist for further information.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <http://www.arun.gov.uk/making-a-planning-application>

If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

Please provide the above by **19th January 2021**. If this information is not received by this date, I will close the file as incomplete and you will have to submit a fresh application.
