

This architectural drawing shows a symmetrical facade of a house. The central feature is a large, multi-paned glass door or window unit. Above this unit is a smaller, rectangular window. To the left and right of the central unit are smaller, rectangular windows. The roof is gabled, with the gable ends featuring a series of horizontal lines, possibly representing siding or a decorative element. The drawing is a black and white line art, typical of architectural blueprints.

This floor plan shows a 3-bedroom house with a garage. The layout includes a large Lounge/Dining Area, a Kitchen Area, a Hallway, three Bedrooms (Bedroom 3 is the largest), an En-suite, and a WC. The house has a front garden and a rear garden. The garage is located at the rear of the property.

Rooms and Features:

- Garage:** Located at the rear of the property, accessible via a door from the Hallway.
- Bedroom 3:** The largest bedroom, located at the rear of the property, with a bay window.
- Bedroom 2:** Located on the right side of the property, with a bay window.
- Bedroom 1:** Located on the left side of the property, with a bay window.
- Lounge/Dining Area:** A large open-plan area with a fireplace, bay window, and access to the rear garden.
- Kitchen Area:** Located at the front of the property, with a bay window and access to the front garden.
- Hallway:** A central hallway with a staircase leading to the upper floor.
- En-suite:** Attached to Bedroom 3, featuring a shower, toilet, and sink.
- WC:** A separate toilet and sink area.

This floor plan shows a 2-bedroom apartment. The layout includes a central landing with a staircase, a bathroom with a bathtub, toilet, and sink, a kitchen with a sink and stove, and a living area. There are two bedrooms, each with a bed and a wardrobe. The apartment is surrounded by a garden area.
