Date: 10th September 2021

Dear Mr Beeby,

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Listed Building Consent for Alterations, Extension or Demolition of a Listed Building

Development: In the 'breakfast room', adjacent to the kitchen, a stud wall has been installed to create a separate room for a toilet and basin. It would appear from marks on the ceiling that this wall was moved, at an earlier date, from a more central position in the room. The current wall cuts across a window. We would like to return the wall with a new stud wall to its original position so that a new shower room (including toilet and basin) can be installed with the window fully in the new room. Additionally we would like to replace the back door which is in the breakfast room as the current door is poorly fitting with inadequate locks, posing security and heat loss risks. This door is currently a wooden stable door with a double-glazed glass panel in the top half. Additionally we would like to replace two existing double-glazed windows that are currently in the breakfast room, although one would be in the newly created room specified above with the relocation of the stud wall. Ideally we would like to retain the double-glazed element (as it currently exists), but with new casement windows that open and are in keeping with the style of windows in the first floor windows immediately above the breakfast room.

Location: Dormouse Cottage The Square Angmering BN16 4EA

Thank you for your application submitted via the internet on 8th September 2021. It has been downloaded and will be checked for validity by the Technical Support Unit. It has been allocated the reference number **A/193/21/L**.

Once your application has been checked we will contact you again.

This letter does not confirm validity of the application/documentation submitted.

Yours sincerely

Neil Crowther
Group Head of Planning
