Thank you for your recent application which I received on 8th September 2021. It is being validated by Nicola Moore who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Location Plan

Please submit 1 electronic or 3 paper copies of a location plan at a scale of 1:1250 or 1:2500 for rural areas. Further details of what must be included on the plan can be found in the Validation Requirements List.

Floor Plans

Please submit 1 electronic or 3 paper copies of clearly labelled existing and proposed floor plans at a scale of 1:50 or 1:100. Further details can be found in the Validation Requirements List.

Block Plan

Please submit 1 electronic or 3 paper copies of a block plan at a scale of 1:500. Further details of what must be included on the plan can be found in the Validation Requirements List.

Elevations

Please submit 1 electronic or 3 paper copies of clearly labelled existing and proposed elevations at a scale of 1:50 or 1:100. The elevation should clearly show the windows and doors to be replaced. Further details can be found in the Validation Requirements List.

Detailed drawings of new/replacement windows, doors, mouldings etc.

Plans should be provided to a scale of not less than 1:20 to show all new or replacement doors, windows, shop-fronts, panelling, fireplaces, plaster moulding and other decorative details etc. This will enable a thorough assessment of the works. Information regarding existing features will be required as part of point 9. If this information is not provided as part of the application, the information will be requested as part of a discharge of condition application.

Please confirm your acceptance of the amended description as shown above.

Method Statement

A statement should be provided identifying the method of undertaking the works to any important features (such as historic walling or important features) will not be harmed during the construction phase.

Structural Survey

For all applications involving demolition, partial demolition or works of a structural nature (such as alterations to the roof; cutting of beams new openings in historic fabric etc.), a recent survey (not more than 12 months old) will be required.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

Please provide the above by **27th September 2021** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

If you made a paper application and did not provide an email address, please could you do so to enable us to contact you swiftly with any queries or issues.

Yours sincerely

Neil Crowther
Group Head of Planning
