Mrs A Gardner

7th February 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Construction of timber framed outbuilding to replace demolished workshop
Mill House Croft Station Road Angmering

Thank you for your internet representation made on 6th February 2018 which has been recorded as '**no objection**' with the comments as follows:

*For information to those it may be of interest to.
The few objections being made are mostly based on false information and it seems scaremongering. The out building is for DOMESTIC USE ONLY, and this is in the application. No industrial use what so ever was ever the reason. most people have a garage to place their stuff, and we are no different. this has nothing to do with work. Its just a timber building to consolidate sheds we have, the reference to replacing a workshop is just to say there was previously a outbuilding in the garden that has been removed a while back. There is no change in what we do at our home, nothing is changing in any respect. It is just in effect a large shed.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
