Importance: High

Dear Mrs Gardner,

My name is Erica Sheward. My husband Martin Plummeridge and I live at Millfield House Station Road Angmering. I write with reference to the above application at Millfield Croft Day Nursery.

The rear garden of our home is adjacent to Millfield Croft.

I have this morning reviewed the application online and posted a comment there too indicating that we have no objection to the proposed plan. I am attaching photos which clearly show the existing gap over our fence where the proposed building will go. We believe that we are the neighbours most impacted by the proposed plan and as I say we have no objections at all.

The nursery seems to us to be an excellent business, well run and providing a valuable service to the local economy. We wish the applicant well and look forward to seeing the building once it is completed.

Regards,
