Dear Mr Elliott,

I am awaiting consultation responses on all of the conditions submitted for discharge and am therefore writing to request your agreement to an extension of time on the application until 28-02-2018 to allow for their comments to be received. In the meantime I note that the landscaping plan does not include a reference to the pot size of shrubs, or plant height at time of planting and does not indicate the position of each shrub species on the planting plan. I would appreciate receipt within the 10 days. I would be grateful if the extension of time request could be confirmed by the end of this week.

Regards

Anita Gardner
