Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/197/21/PL
Site Address: Stitches And Frames The Square Angmering BN16 4EA
Description of works: Change of use of vacant retail shop to restaurant to include the installation of new kitchen extraction system, AC condensers, new windows, awning, planters. This application affects the character & appearance of the Angmering Conservation Area & is in CIL Zone 2 (Zero Rated) as other development.

Thank you for your internet representation made on 4th October 2021 which has been recorded as an objection with the comments as follows:

OWPC40865

I wish to make an objection to this proposed business, my reasons are as follows:
It will be in a conservation area, building works to adapt the premises will affect the look.
The proposed opening times are not conducive to the village centre; this will make for further continuous traffic coming into the village, not only subjecting villagers to more CO2 emissions, but also noise pollution from both traffic and people.
This business could be detrimental to similar existing small businesses, all striving to make a living.
Many locals ordering takeaways will no doubt still drive to the place to ensure their return home is quick and the food remains hot. Which brings about the problem of parking.
Is this venture really suitable for this position in the village - the answer is no. Perhaps a venture of this type would be more suitable to a purpose built unit in the Chandlers redevelopment site.

Your views as made above will be considered before the application is determined.
