Dear Mr Davis,

Following review of the Principal Conservation Officer's comments online, please find attached additional information to address two of the points raised:

### 1. Sliding Folding Window Details

Please see attached standard timber frame details from the window manufacturer for the proposed sliding folding windows.

(The details are labelled sliding folding door, but they are the profiles proposed for the window apertures)

Clear double glazing to meet current building regulations is proposed.

### 2. External Paint Colour

The proposed paint colour for the exterior is Dulux ref 10BB 28/116 (Greyish blue)

This is generally to be satin sheen finish on woodwork.

The online colour reference is: <https://www.dulux.com.hk/en/colour-palettes/10bb-28-116-1306105>

A jpeg image of this colour is attached for reference.

A physical paint sample can be sent for consideration - please let us know the best address to send this to if required.

Please can you consider the attached information and let us know if this is acceptable.

Kind Regards,

Sybille
