

3 Woodford Villas
High street
Angmering
Littlehampton
West Sussex
BN16 4AE

The Oak (*Quercus Ilex*) at woodford villas looks to be in good health. Unfortunately it is situated between two houses. To avoid damage to the foundations, drains or roofs of the properties I would recommend keeping the tree small by cutting it back every 2 years. I would recommend a 50% crown reduction based on the oaks current size. To reduce the crown as recommended would cost **£275**.

If you have any questions please feel free to contact me.

All the best,

Tom Jimpson
