Subject: Prior Notification Of Works To Tree(s) In A Conservation Area - A/1/21/TC

Application ref: **A/1/21/TC**

Location: Old Well Cottage, High Street, Angmering, BN16 4AG

Works proposed: Felling of 1no. *Pittosporum* and replacement with 1no. *Fagus sylvatica* Dawyck

I undertook a desktop review on 1st February 2021, which was adequate for me to determine the aforementioned Town & Country Planning Act 1990 (as amended) s211 Notice.

I am satisfied that the works proposed will not result in character of the surrounding area being diminished. The applicant's stated intention to replant with a native tree cultivar is welcome and should ultimately compensate for the loss of the *Pittosporum*.

I raise **No Objection** to the works that have been applied for and see no reason to make a Tree Preservation Order in this instance.
