Dear Mrs C Smith,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) - Article 10
Non-material amendment following a grant of planning permission A/144/15/PL relating to moving a substation
Cresswell Square, Angmering, ,

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

The reasons that these proposals have been accepted as Non-Material Amendments is because it is a proposal to move an electricity substation within the site and it can therefore be considered under section 96A of the Town and Country Planning Act 1990.

From the information submitted I am prepared to take the alterations as a Minor Amendment to planning permission A/144/15/PL.

Please note that the following Drawings now form part of the approved planning drawings:

- * Drawing Number 7963/SP01 Rev. J - Site Plan with Cable Routes - West End Nursery, Angmering;
- * Drawing Number 5356:04 Rev. A Phase 2 Engineering Layout Sheet 4 - West End Nursery, Angmering;
- * Drawing Number GTC-E-EA-0001_R7-7 - Substation Earthing Layout;
- * Drawing Number 7963-SLD-01 Rev. A - Single Line Diagram - West End Nursery, Angmering;

- * Drawing Number 5356:04 Rev. E - Phase 2B Engineering Layout (Sheet 4), West End Nursery, Angmering; and
- * Drawing Number X322-CSD-01 Rev. K - Combined Services Drawing, West End Nursery, Angmering.

I trust this information is of assistance to you.

Yours sincerely
