Subject: A/20/18/DOC - Application for approval of details reserved by condition imposed under planning permission A/167/17/PL relating to condition No. 4 (Tree protection), 14 (lighting) & 16 (mitigation measures)

Importance: High

EH comments in relation to A/20/18/DOC

Having reviewed the submitted documents I am satisfied with the scheme of lighting proposed. This allows the discharge of Condition 14 (lighting) from the EH perspective.

However, Condition 16 (mitigation measures) relates to noise and there are no reported noise details / reports with this submission, therefore I cannot recommend the discharge of this condition at this time.

Kind regards
