Dear Mr Robinson,

The comment currently online is from CAAC, the Conservation Area Advisory Committee. Comments from the Council's Conservation Officer himself will follow shortly, I will inform you of them when I receive them.

Kind regards,

Z Denton

Hello Mr. Denton

I've just noticed a comment from the Conservation Officer. Could you let me know, as a guide, is this application likely to be refused. If so, we maybe able to revise the plans somehow. I realise you cannot say definitely, one way or the other and will not hold you to any comment. Will understand if you do not wish to make any comment.

Regards

Pete Robinson
