Re: Land at Ham Manor Way, Angmering

With reference to the conditions of your previous rejection of A/176/17/PL on policy grounds, I am writing to object to the application for Certificate of Lawful Development on A/212/17/CLP. Surely the 1957 planning consent should be rejected on your previous observations and rejections. I understand there are no definitive legible plans available for application A/2/57 at the council offices which appears to be unusual, so therefore must have been judged to be obsolete.

I would also draw attention to the recent proposed sale of garden plots by Ham Manor Golf Club which could set a future precedent and which would certainly continue to diminish the effectiveness of the Green Space Plan.

I vehemently object to any further development within the boundaries of the golf course which will certainly be detrimental to the Green Space Plan and wish for my views to be taken into consideration please.
