Dear Anita,

I visited your office today on the off chance you were available but unfortunately you were due into a meeting. I wanted to show you the plan that was causing controversy with the NIMBYS in Ham Manor Way which your helpful receptionist took copies from the original documents.

The documents are an original set of documents for A/71/59 for plot 52 referencing A/2/57 as the outline application associated with the application and enclosing a full plan of the plots on the Ham Manor Estate for which outline permission was granted by A/2/57. This is a much clearer plan than the one previously submitted with the application.

Kind regards,

Richard B Smith
