Hi Lauren

Hope you're well.

Thanks for your email below. I have now consulted our Tree Officer and attach his email. Basically he/we do not object to the removal of the Leylandi hedge in tree protection/planning terms but we will add a planning condition to the decision stating if it is not retained/does not thrive post construction then an appropriate replacement 1.8m boundary treatment must be installed in its place. Since the hedge is third party though the applicants and hedge owners will need to agree any works etc. but that is outside of the Council remit and is a legal/civil matter etc.

So to confirm, all other planning matters are acceptable too, and we will be recommending approval of the application.

The decision is due next week 8th Dec, however, given current planning workloads, would it be possible to agree an Extension of Time until 11th January which will allow me time to write up my report and Managers to issue the decision?

If you could please email me by next Monday 6th Dec to confirm the EOT that would be much appreciated.

Many thanks,

Amy
