Michael,

Yes, that is ok. The first occupation has already happened, so it is really academic.

Rob,

Is Angmering Parish Council satisfied if I recommend that Condition 8 of A/144/15/PL be varied to read: 'prior to occupation' ... so as to allow time for Arun District Council to consider the remediation strategy in full as the condition will only be discharged / approved after all works highlighted in the remediation strategy report are fully carried out.

I look forward to receiving your response.

Dear Mr Martin,

Arun District Council consulted Angmering Parish Council on 16 January 2017 on an application to vary condition 8 of A/144/15/PL at West End Nursery, Roundstone Lane, in Angmering. To date, Angmering Parish Council has not submitted representations on this consultation.

APPLICATION A/219/16/PL: Variation of condition 8 imposed under A/144/15/PL to change 'prior to commencement' to 'prior to occupation'.

REASON: The reason why the condition should be changed is to allow time for the Council to consider the remediation strategy in full as the condition will only be discharged / approved after all works highlighted in the remediation strategy report are fully carried out.

Does Angmering Parish Council intend to submit representations to Arun District Council as part of the consultation on A/219/16/PL?

I look forward to receiving your response.

Kind regards,
