Dear Jeremy

For completeness, can I also ask that you remove the definition of Social Rent in the Allocation Policy as it isn't used and that you also shift the definition of Local Needs Affordable Housing in the definitions section of the s.106 agreement itself so that it's in alphabetical order.

Other than that I am happy for engrossments to be issued.

Regards

Dear Jeremy and Anita,

I have attached below a revised copy of the Housing Allocation Policy we were sent last week as part of the s106. The ACLT Board have noticed that their address on the HAP was incorrect plus a couple of typos. I have been asked to confirm that these revisions are simple typo changes.

Best wishes,

Will Anderson
