Simon,

I am instructed by ADC's Landscapes & Project Delivery department, via Mace Group, to withdraw planning application A/222/24/PL. I would be grateful if you could confirm when this has been actioned.

As you will be aware, the intention will be to resubmit the application following the completion of additional ecology surveys in the spring.

Sport England's further response to A/222/24/PL remains outstanding, although I understand you anticipate receiving this today/tomorrow. Since their comments will be important in framing the scope of the resubmission, I would be grateful if you could forward it when received, as I will have no other means to obtain it once the application is removed from ADC's online planning system.

Kind regards
