Hi – can these be added to the case file as Sub-plans please? With previous versions superseded. I don't have time to add these as a Planner given our caseloads and I assume this is something TSU should be handling now.
Thanks
Amy

Good morning Amy,

Apologies for the mistake yesterday. Please see attached the amended plans and statement. There was a discrepancy to do with title plan numbers, all the changes are very minor in nature and do not affect the proposed development but were necessary to ensure consistency.

I trust this is soon enough to ensure there isn't a delay to the application.

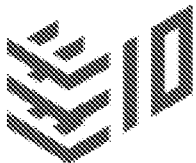

I look forward to working with you on this.

Kind Regards,

Hi Finlay

Thanks for letting me know, don't worry, I have not done anything with the amended plans yet.

However, my question is as I don't think we invited amended drawings, why are you amending them at this stage and what are the exact differences? Can you specify please.

I must advise that site notices will be put up end of this week and therefore we cannot accept any further amended drawings after that time, otherwise that would prompt a re-consultation/need for EOT etc, which we won't grant.

Thanks
Amy

I hope you are well?

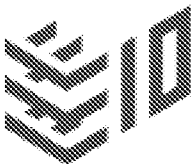

Please see attached substitute Planning Statement, Site Block and Site Location plans. Can these be uploaded to the public viewer to supersede the existing Planning Statement, MPCWWM LOC001 B Site Location Plan and MPCWWM003 Site Block Plan.
