Dear Jamie,

Thank you for the consultation response dated 3 March 2020 with regards to the discharge of condition 6 application at The Laurels, Dappers Lane (attached for ease).

I can confirm on behalf of the Applicant that they would be willing to adhere to the following in addition to the detail in the CTMP:

- Schedule site deliveries outside times of peak traffic volume. This should be 08.00-09.00 am and 16.00 to 17.00.
- Ensuring that deliveries to site are kept to their allocated time slots.
- Avoid contractor parking on Dappers Lane.
- All loaded vehicles leaving site must be sheeted.
- Ensure that there are designated walkways on and around site.

The CTMP is currently being amended to include the above for completeness, and will be sent on to you for your approval as soon as possible.

I trust that with confirmation of the above, you will now be in a position to recommend the discharge of condition 6 to the Planning Officer, Anita Gardner (cc'd in to this email).

I look forward to hearing from you. If you have any queries or require further information then please do not hesitate to contact me on [REDACTED]

Kind Regards,

Rebecca Hoad MSc Town Planning
